

MIPS TARGETED REVIEW REQUEST DEADLINE SEPTEMBER 30

CMS recently posted reminders regarding the availability of MIPS final scores and the deadline to request review if an error has been made:

“If you participated in the Merit-based Incentive Payment System (MIPS) in 2018, your performance feedback, which includes your MIPS final score and payment adjustment factor(s), are available for review on the [Quality Payment Program](#) website. If you believe an error has been made, you can request a targeted review until September 30 at 8 pm ET. The MIPS payment adjustment you will receive in 2020 is based on your final score.”

Additional information can be found at the CMS links below:

Participants are encouraged to review their 2018 MIPS final score and payment adjustment factors in a timely manner to ensure accuracy and, if needed, request a targeted review prior to the September 30 deadline.
