## ONLY ONE WEEK LEFT TO SUBMIT LICENSE TO NSC IN ROUND 2 COMPETITIVE BIDDING

Suppliers participating in Round 2 and/or the national mail-order competition of the Medicare Durable Medical Equipment, Prosthetics, Orthotics, and Supplies ("DMEPOS") Competitive Bidding Program must have all applicable state licenses on file with the National Supplier Clearinghouse ("NSC"). Bidding suppliers must ensure that copies of applicable state licenses are received by the NSC on or before Tuesday, May 1, 2012. Keep in mind, bids will be disqualified if the bidder does not meet all state licensure requirements to furnish the applicable product categories in every state in a competitive bidding area.
