

WHITE HOUSE TO REACH SEQUESTRATION DECISION WITHIN 30 DAYS

The **2% across-the-board** cut in reimbursement for Medicare providers, the result of last summer's "Super Committee" failure, is scheduled to take place January 1, 2013. The President recently signed legislation requiring a report detailing how the sequestration process will affect Medicare providers. Skilled nursing facilities (SNFs) have already seen **significant cuts to reimbursement**; an additional 2% cut will further strain operations.
