

SECURITY BREACH & COMPLIANCE

Hall Render's experienced information security attorneys provide legal advice on a wide variety of laws and regulations addressing the privacy and security of data. Several Security Breach & Compliance Section members are approved cyber liability insurance panel counsel for entities throughout the United States. We counsel on all aspects of breach assessments and notifications and use selected forensics and network experts to provide an effective response for breaches and security issues in a variety of industries.

AREAS OF FOCUS

- HIPAA Security Rule
- Security Breach Notification Laws
